

Northville Township Homestead Property Tax Rate Information

(Northville School District)

Where does your property tax dollar go?

The Township only keeps 25¢ to fund its governmental operations. If we break this quarter down further, 18¢ is dedicated to fund public safety, 2¢ is dedicated to fund parks and recreation, senior and youth assistance programs, 3¢ is restricted to pay down over \$22 million in bonded debt issued to purchase the Seven Mile property, which leaves 2¢ left to fund general government.

Northville Township receives **25¢** for every property tax dollar paid.
